

JavaFX Layout Managers

Layout Manager: BorderLayout

Layout Managers: HBox and VBox

— HBox: horizontal row

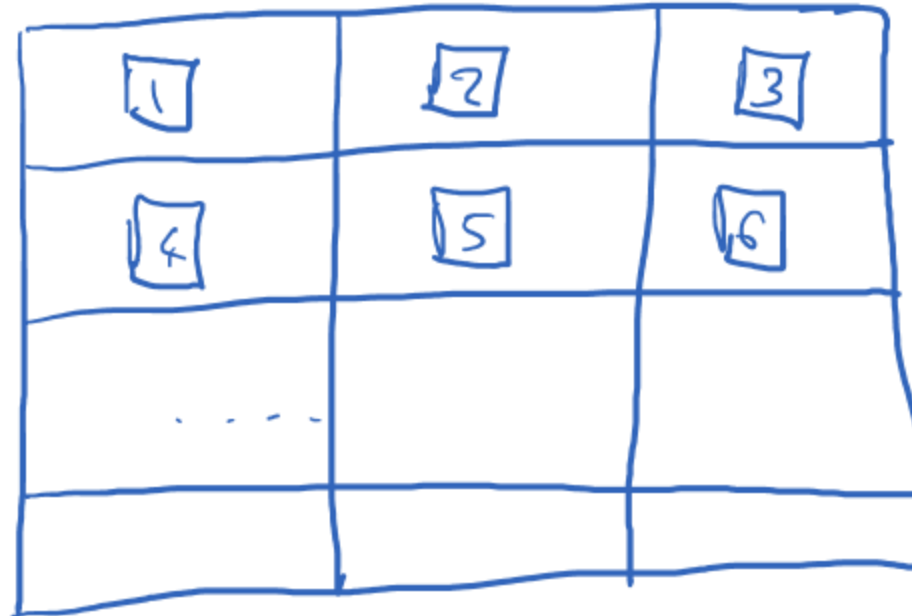

— VBox: vertical column

Layout Manager: GridPane

Set # of rows and columns

A hand-drawn diagram of a GridPane layout. It consists of a 4x3 grid of cells. The first two rows are filled with numbered boxes. The third row has a dashed line in the first cell, indicating continuation. The fourth row is empty.
